Acknowledgements

The authors are grateful for the contributions of Ernestina Coast and Jo Strong to the preparations of this survey tool.

We gratefully acknowledge partnership with the team at TAI, particularly Asraul Khan, Mizanur Rahman, Muhammad Morshedul, and Itrat Sayeed for facilitating surveys in the Rohingya refugee camps and host communities in Cox's Bazar.

We sincerely acknowledge all the adolescent girls and boys and their families in Cox's Bazar, Bangladesh for sharing their experiences, without whom the study would not have been possible. The authors also gratefully acknowledge the layout support from Christine Khuri.

Read: Now we will do an activity that involves some reading and math problems. I will provide you a sheet of paper with the questions and ask you to answer them to the best of your ability. I will also give you a pencil and you can write on the paper if you would like.

We want you to try your best, but this is not a test and you will not receive a grade for your work. This is only for our study and I will not share how you do with your parents or anyone else. We are only interested in what you can do comfortably in terms of reading and arithmetic so if you cannot do some or all of it, that is okay. “

Hand the respondent the reading sheet. START YOUR STOPWATCH. Start at the paragraph level. Refer to the ASER directions sheet to determine the level of the CR. Once you have determined the level, stop the stopwatch. Record the CR level and record the total time.

ANONYMOUS REPORTING.

Read: Now we would like to ask about your experience with illegal drugs. You may not want to tell us, and that is OK, but the reason we are asking is this is part of an international survey that it will help us better understand who you are and what you have experienced. Please remember that the researchers are the only ones who will see your answers to the questions - your answers will not be shared with anyone else, including myself.

Read: I would now like to hand you the tablet. On the tablet are three icons. No other information is written on the tablet. We have talked about several different types of drugs, including many that are illegal. I would like you to click on the check mark (✓) if you have ever tried an illegal drug. Please click on the X mark (X) if you have never tried an illegal drug. If you do not want to answer, click on the circle (O). Once you have selected one, please click on the blue bottom at the bottom of the screen that says next. This will ensure that I do not know your answer.

Enumerator, DO NOT READ: show the CR the blue button to go to the next questions. Hand the CR the tablet to answer privately. Wait patiently until they hand the tablet back to you.

No matter what you have already told me, I would like you to click on the check mark (✓) if someone has ever touched you sexually against your will, or made you do something sexual that you didn't want to when you were 18 or older. This could have been a boyfriend, family member, teacher, friend, or any other person. Please click on the X mark (X) if this has never happened to you. If you do not want to answer, click on the circle (O). Once you have selected one, please click on the blue bottom at the bottom of the screen that says next. This will ensure that I do not know your answer.

Enumerator, DO NOT READ: show the CR the blue button to go to the next questions. Hand the CR the tablet to answer privately. Wait patiently until they hand the tablet back to you.
